## Results

**Women:** Dissapointingly experienced their first loss for the season 6-5 (or maybe it was 6-4) against the second placed Triton team. Unsuprisingly Denise scored most of our goals. Having had no games since before Christmas a lack of match practice, and match fitness, probably contributed to the teams sloppy effort.

Training will be tough this week.

**Men:** The mens team had their fourth win of the season, with a fantastic victory over 4th placed Triton. It was a tight game in the end, with the final score 6-5, but Somerset were clearly in the lead for most of the game.

**Masters:** Somerset Sluggers 6 v Dolphins 3. Yeah! Winner winner chicken dinner. Best and Fairest: 1. Alex (goal keeper), 2. Rest of the team. Somerset played an excellent game to win what appeared to be a very tight game at the start. Alex played an excellent game to hold Dolphins at bay in the early stages. All the team played well each contributing to the effort. This includes the 5 subs.
