Women: Things happen in 3's. Including losing games in a row. Defeated this week by an experienced Dolphins team, about 7-5. Denise scored 3 goals, Ruth and Karlee 1 each. The game was heavy and a bit dirty, and did not suit our usual style of play. Our game in general was better. This is the week!!

Men: Lost about 12-5 against Melville Sharks in an even heavier and dirtier match than the women's. It was a disappointing match to watch as tempers flared on both sides. Seals were commendable in their respect for the umpire.

Masters: Somerset Sluggers 5 v Melville 8. Best and Fairest: Mike Richardson. Once again Somerset took a loss from Melville. Unfortunately Somerset were always playing catch up and never got to grips with a strong Melville team

Ladders after round 15, after round 14 for the Masters.

You might know where you are, but check out how the other Somerset teams are doing on the ladder.

Women are in a good spot to make the finals, so long as they win a couple more games. Masters are in (by default), and the men are an outside chance.
