## Results

Women: Beat Phantoms 9-7. Fortunately Denise was present to score the majority of our goals. The score was even most of the game, with Somerset getting 2 in the last quarter to get ahead. The most memorable goal was a combination of a pass from Denise from down the field, to Kristie on the right of goals, cross pass to Janet on the left of goals and score. One of those things you know how to do, practice doing, but pulling it off is a whole new thing. Erin was sidelined due to a broken toe, but should be back in full swing for the finals.

Men: According to fixtures and results beat Phantoms 7-3.

Masters: Somerset Sluggers 4 v Melville 5. Best and Fairest: Alex (goal keeper), 2 Dave Richards. Somerset played an good game to lose by one goal. Alex as usual played an excellent game.

## Fixture this week: Round 18. final round matches for the season.

- Somerset Sluggers vs City Beach : University of WA pool, 7pm, Tues 9th March.
- Somerset Div 1 Women Starlets vs Melville: (This could be a grand final preview) Bicton Pool, 8pm (get there about 7:30pm), Wed 10th March.
- Somerset Div 2 Men vs City Beach Bears: Somerset Pool, **7:15pm**, Wed 10th March. (note different time)

## \$432. 40

That's how much the women's paid into their tin in fines this season. According to this end amount, we did not misbehave as much as most of us thought we did. Fines were \$2, and 50c for students.

Fines were given for many things, including:

1. Getting kicked out
2. Throwing an air ball towards goal in a match
3. Not taking a shot during a match
4. Losing a match
5. Not attending training
6. Spending Saturday night at home with your significant other
7. Picking up
8. Emesis
9. Having a goal scored against you, this applied to Lisa our goalie (50c per goal)

We'll put this money towards a great end of season trip away, and come up with new ideas for fines for next year.
