Women: Won their second game for the season against a small Dolphins team 9-1. Long limbed Denise scored 2 great shots from centre-forward in the final quarter to take out the 3 votes. We are learning to stop shouting instructions, and leaving this to the coach!

Men: Came 2nd 6-8 against Dolphins. It was an exciting game, with the Dolphins just coming on out on top despite a gallant fight back from the Somerset Boys. The best players for the club were definitely Ryan Minchin playing his first game for a number of months, and there was also an outstanding display of goal keeping by Cameron (report cut short by the editor as it was definitely too long... 2-3 lines thanks Chris)

Masters: Melville 9 d Somerset 6. Bill Wallace was given 3rd best votes and Max played well as well. We are getting better but they were undermanned and we had no idea how to play extra man attack. We have a long way to go before we start to play as a team.

We currently have 5 of our better players not available due to various long term injuries and will struggle for the rest of this year. Anyone who knows a person who is over 55 and can swim/ play water polo, send them down to the pool, quickly.

Fixture this week:

Somerset Sluggers vs Dolphins : UWA, 7pm Tues 27th October

Somerset Div 1 Women Starlets BYE

Somerset Div 2 Men vs City Beach: Somerset Pool, 7:15 pm Wed 28th October

Player Profile: Lisa Doig, Women's Captain

Age: 25

Works as: Physiotherapist

Number of years playing water polo: 6 (including school)

City of origin: Perth

Favourite position to play: Goalkeeper

Typical Saturday: Sleep in, go out for champagne breakfast, rarely has to go to work, party party party Saturday night.

Why we love her: She makes us laugh when we go out (and with stories the next day) and she saves our butt by saving all those goals in a game.
