Women: Drew 4-4 against an experienced Dolphins team. Disappointed to have the first draw/loss for the season, but excited to come close to beating a team that flogged us last season. An awesome lob shot by Ashley from about 7m out and on a 45 degree angle from the closest post and a most fantastic defensive effort from Kristie (watch this pocket rocket) kept us in the game.

Men: Great effort from everyone involved. As one of the Melville players said to Ben, the score board didn't reflect the amount of effort we put in, but we were let down by our reaction time and lack of controlling play. Next time we play, we need to understand the ability of the individual player we are marking up on and play on them accordingly. Our team under no circumstance should be losing a game by over 5 goals let alone 12.

Masters: Somerset Sluggers 2 defeated by Melville 4. Alex continues to star for the team each week in goals. A Somerset team source said that apart from Alex the rest of the team played rubbish. Somerset received a total of 7 major fouls in a very tough and physical game.

Fixture this week: Round 7

- Somerset Sluggers vs Dolphins : UWA court 1, 7pm Tuesday 24th November
- Somerset Div 1 Women Starlets vs. Peel: Somerset Pool, 7:15pm Wed 25th November
- Somerset Div 2 Men vs Peel: Somerset Pool, 8:00 pm Wed 25th November

So Ruth, what's happenin' on the Social Scene?

Shall we share our ideas?

We are planning to have a **Chrissy party/picnic** and trying to sort out dates that suit most people. Dates that we had in mind were the weekend of the 11th, 12th and 13th of December. It would be an arvo/evening picnic on the South Perth foreshore. Could you please let us know what date is best suited for yourself? We will take care of the rest of the planning.

We are also looking at having a water polo carnival between Dolphins, Tritons, Bunbury and us. Similar to the one held in July in Bunbury. The dates that we are looking at are the 9th and 10th of January. Could you please register your interest for this as well as we will only go ahead if we can fill teams. If this weekend is not possible, we might look towards the long weekend in March, or after the grand finals in March.

There will be sheets on the board in the club rooms where you can put your name for these two events (will be up on Sunday). If you could do this ASAP it would be much appreciated so we can start organizing.

Sounds good Ruthie.

PLAYER PROFILE **Name:** Alexandre Swanson (so then why do we call you Ben??)

Age: 21 **Born:** Perth

Work: Am currently unemployed. So my work life consists of studying full time (town Planning) and picking up strange one off jobs that are offered around the science faculty university.

Years playing water polo: Have been playing waterpolo/flippaball since year 4 at school so about 12 years.

Favourite water polo position: Do enjoy spending a fair bit of time in centre forward

Where have you travelled? As of next Tuesday will be spending a month and a bit

on a road trip over East with a few of my mates. So goodluck to the guys on the next couple of games! Spent a fair bit of time travelling/living up North, in places like Marble Bar and Halls Creek. Have been to Bali with my brother, after that experience i have decided to make a strong effort only to travel to first world countries. Have been to Christmas Island, very nice but a strange isolated place. And when i was younger went around America and Canada with the family.
