## Results

**Women:** Won 7-5 against Phantoms. We had a ripper of a 3rd quarter, leading 7-3 going into the 4th. Fortunately it was enough to win the match despite having a less than ordinary final quarter. Great shots from Denise in centre forward and a nice goal from outside 5m under pressure by Amelia.

**Men:** It was an excellent Wednesday night for the whole club as we capped off our new goals with 2 wins. The men won 7-4 against phantoms in an intense battle. Rob Swanson was a stand out in the match.

**Masters:** Somerset Sluggers 3 v City Beach 16. Best player for Somerset was Gary Payne. City Beach gave Somerset a real hiding this week. The less said the better. It is with regret that Juergen has left the Somerset Sluggers but we wish him well with his new team the Dolphins

### CHRISTMAS IS COMING!

We understand it is a busy time of the year and had planned to arrange a Somerset Seals get together, however due to lack of expression of interest on the proposed dates we will leave it to the individual teams to organize their Christmas get together. Another club function will be planned for the new year.

Please do continue to express your interest in a carnival against Bunbury and Dolphins for January. Sign up is on the notice board in the club rooms.
